If you liked *Parfumerie* then you will love the musical version of that story, considered by many to be the most charming musical ever! Amalia and Georg work together at a modest Hungarian parfumerie and dislike each other from the beginning. He thinks she's stuck up, and she thinks he's arrogant and mean. But each rapturously writes to a lonely-hearts pen pal when the work day is done, and it doesn't take long for the audience to see that they're in love without realizing it. Inevitably, through some of the most iconic songs in the musical theatre canon ("Vanilla Ice Cream," "She Loves Me," "Will He Like Me?"), Georg and Amalia also discover the truth and rejoice in their love for each other at the story's sweet and musically delightful conclusion. **\$26/\$24 G**

Dear Kelsey Theatre Friend,

Thanks to your generosity and that of Mercer County Community College, we have new curtains and new seats! And finally we have our new Assisted Listening System! Now we turn our sights to purchasing an elevator down to the bathrooms. Please help. Please consider making a donation by visiting igfn.us/form/fTkaCg OR scanning the QR code to go direct.

Here's to arts and to all of you who support us!
