## Cedar Hill Prep Student Wins Silver at Roller Skating Nationals 2025

**SOMERSET, NJ — August 18, 2025** — Cedar Hill Prep School is proud to announce that I. Reddy, a third-grade student at CHP, has won the Silver Medal at the Roller Skating Nationals 2025 in the 7–8-year Tot Free Skating and Free Dance category, marking a remarkable achievement in national-level competition.

Reddy's dedication, discipline, and pursuit of excellence both inside and outside the classroom embody the values of the International Baccalaureate (IB) learner profile, which Cedar Hill Prep champions across all grade levels. The school actively encourages students to explore their passions beyond academics, supporting growth in athletics, the arts, public speaking, and more.

Mounika Reddy, the student's mom, said:

*"When a student pursues a passion at a national level, it takes a village. For my daughter, a recent national competitor in roller skating, that village was her second home: Cedar Hill Prep School. The school's faculty and staff understood the unique challenges of balancing rigorous academics with the demanding schedule of a competitive athlete. Instead of creating pressure, they offered flexibility and support. Teachers worked with Ishaanvi to create a manageable schedule, allowing her to turn in homework when she could and take crucial tests before or after her competitions. When out-of-state meets required her to miss class, the school fully supported her, granting her the time off she needed to compete.*

*Thanks to this incredible partnership, she was able to dedicate herself to both her sport and her studies. Her teachers, acting as a true second family, not only encouraged her athletic dreams but also ensured she remained on track academically, helping her to maintain her A grades throughout her journey to nationals. This success story is a powerful reminder of how a compassionate and flexible school community can truly make a difference in a student's life."*
