PENNINGTON, NJ, February 25, 2026—Adam Cooley has been named Pennington’s Varsity Girls’ Lacrosse Head Coach for the 2026 season.

The Pennington School is pleased to announce that Adam Cooley has been named the Varsity Girls’ Lacrosse Head Coach for the 2026 season.

Coach Cooley has been a member of Pennington’s math department faculty since 2014 and brings an extensive background in Pennington coaching to the role. He has spent 8 seasons as an assistant coach with the Varsity Girls’ Lacrosse program under longtime head coach Wendy Morris. Cooley also serves as a member of Pennington’s football coaching staff each fall. Most recently, Cooley spent two years as the Middle School Girls’ Lacrosse head coach, helping develop players in that program.

“I’m excited about the opportunity to take on a new challenge and help the girls succeed,” said Cooley. “I’ve had fantastic coaching mentors in Wendy Morris and Jerry ‘Chief’ Eure, and I’m ready to take the lessons I learned from them and put my own spin on the program.” He went on to state, “The number one goal is always to win. Every time we step on the field, I want our players to expect to win the game. I want to build a team that plays fast, physical, and with relentless effort and confidence, while maintaining the excellent sportsmanship for which The Pennington School is well known.”

The Pennington School is an independent coeducational school for students in grades 6 through 12, in both day and boarding programs. The curriculum is college preparatory, with an emphasis on individual excellence, fostering the development of the whole student through academics, athletics, community service, and the creative and performing arts.
