

## PRINCETON HHH HASH #882.4

Sunday May 26, 2002

Hare: Dummer

Hounds: Discomfort, Weeepi, Wacko, Hand Solo, Weatherman, Hey YO! Paully

Time: 65 mins

Venue: Northern edge of MCP on Conover Street through MCC, through the technical school to the hidden lake off Line Road

Weather: Buttock-clenchingly hot and humid

Howzabout a rousing write-up for Dummer's latest laser-like linear hash, with the special request for LRF's considered opinion on the provenance of the bone fragment I found. Maybe it's not amphibian in origin at all--maybe . . . maybe . . . it's Mercer County Man!

There we were standing by the hidden lake in the midst of the virgin terrain that Dummer had found using his expensive low-flying helicopter. The only sounds we could hear were our own heavy breathing as we crossed the anaerobic threshold and our pulses came back to normal. Then other sounds started to emerge from the background of noises. Was that Discomfort heading into the on-in? Was it a tractor heading our way? No, it was the sound of the bullfrogs populating in the lake.

One particular bullfrog came hopping over, said his name was not important, but he had a good friend he wanted to tell us about ...

Jeremiah was a bullfrog  
Was a good friend of mine  
I never understood a single word he said  
But I helped him a-drink his wine  
And he always had some mighty fine wine  
Singin' ...  
Joy to the world  
All the boys and girls now  
Joy to the fishes in the deep blue sea  
Joy to you and me  
If I were the king of the world  
Tell you what I'd do  
I'd throw away the cars and the bars and the war  
Make sweet love to you  
Sing it now...  
Joy to the world  
All the boys and girls  
Joy to the fishes in the deep blue sea

Joy to you and me
